

## 24 May, 2025 – Statement regarding A Rocha Australia Environmental Projects Ltd

A Rocha Australia Inc has set up a new legal entity called A Rocha Australia Environmental Projects Ltd. This includes a new Deductible Gift Recipient Gift Fund for environmental and conservation work in Australia.

Donations to this fund are tax deductible. Donations can include money or property to be used for environmental purposes of protecting and restoring ecosystems in Australia. The opportunity to receive tax deductible donations boosts our fundraising capacity, and is welcome recognition by the Australian Government of our growing role in the nature conservation sector in Australia.

The new fund comes at an important time for A Rocha Australia, and Creation care efforts in Australia more broadly. It marks another step in growing the organisation and commitment to deepen and expand our projects, partnerships and impacts in nature conservation.

For the last nine years A Rocha Australia has been engaging with a growing number of people and organisations across Australia. We have expanded the range of activities we undertake as a demonstration of care for God's Creation and our discipleship in Christ.

With additional funding we will be able to expand our current environmental projects in revegetating degraded habitats and managing land for conservation, providing education about environmental issues, and monitoring biodiversity. We will continue to do this with our members and supporters, and a wide range of partner organisations including churches, Christian schools, private conservation organisations and charities, Bible colleges, Councils, university researchers, and government agencies.

We ask for your help to raise the funds needed to enhance the impact of our projects.

If you would like to donate, get involved, want to know more, or have environmental projects in mind, then we would be delighted to hear from you and please contact the directors at [australia@arocha.org](mailto:australia@arocha.org)

Tax Deductible Donations can be made to:

**A Rocha Aust Environ Fund**  
**BSB 313 140**  
**Account 12518062**

Donations of \$2 or more will receive a receipt for claiming a taxation deduction. Please send your name and email to [australia@arocha.org](mailto:australia@arocha.org) so we can send a receipt for your taxation purposes.

Blessings as we continue together in our work of conservation and hope.

*Stuart Blanch*  
President, A Rocha Australia
